

STEP 1

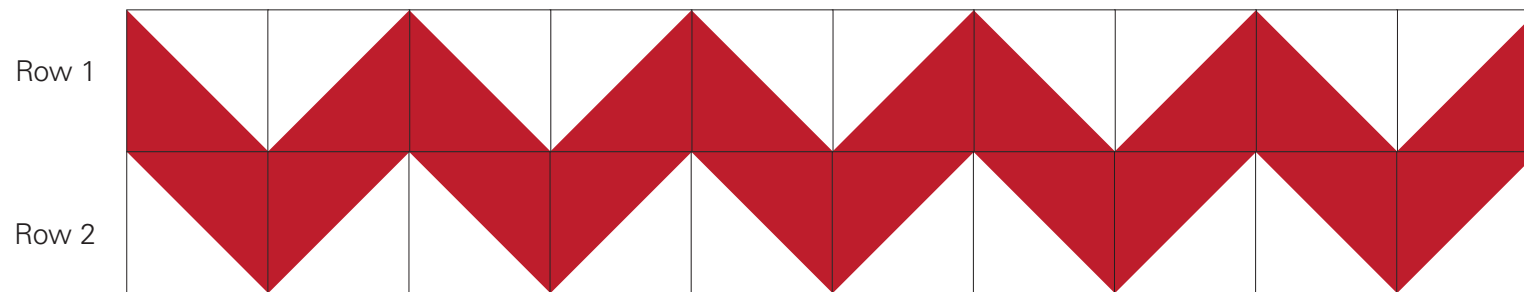

To start, place block 1 and block 2 right side together and sew with 1/4in seam. Continue by attaching block 3 to block 2, right sides together, 1/4in seam, until the entire row is complete.

STEP 2

When creating the second row, double check your chevron pattern by placing the blocks underneath row 1 and then sew the blocks together accordingly.

STEP 3

Place row 1 and row 2 right sides together and sew with 1/4in seam.
